

# YEAR *of the* DOG

## 2018 ANNUAL REPORT

Tom Scanlan with his border collie, Chase

## A Message from our Board Chair and President & CEO

At the start of 2018, everyone at Freedom Service Dogs was delighted to learn it was “The Year of the Dog” according to the traditional Chinese calendar. We were even more delighted to discover that the traits of those born in The Year of the Dog—loyal and smart, the truest friends and most reliable partners—also exemplify the 22 remarkable dogs that graduated with our inspirational clients in 2018.

We’re extremely proud of the many accomplishments your compassion and support made possible last year—and yet, we are determined to do more for the 100-plus clients on our waiting list who are depending on FSD for a life-changing service dog of their own. That’s why in 2018, we took significant steps to increase the number of dogs graduating from our programs.

Because FSD remains committed to obtaining the majority of our service dog candidates from shelters and rescues, we reinvigorated our efforts to seek out new partnerships with shelters and rescues in Colorado and across the country, and to establish relationships with organizations that have career-change dogs suitable to service dog work.

To supplement those dogs and address the challenge of finding an adequate supply of candidates at shelters and rescues, we expanded our mission to include acquiring a limited number of dogs through private donations, responsible breeders, and organizations that donate purpose-bred puppies to service dog organizations like FSD.

We also developed two innovative programs designed to build a solid, early

*"Everyone thinks they have the best dog.  
And none of them are wrong."*

foundation for service dog training in order to have the greatest chance for success: a Puppy-Raising Pilot Program in conjunction with Colorado's Prison Trained K-9 Companion Program, and a community-based Puppy-Raising Club, in which specially trained volunteers help raise and train puppies in their home with support and guidance from FSD.

2018 was also a year of facility improvements to keep our canines cheerful and comfortable. From the installation of misters in our outdoor kennels and more doors with windows on our indoor kennels, to the addition of homeopathic remedies, orthopedic physical therapy, a restorative daily naptime, and more, we dedicated ourselves to ensuring that dogs in training are happy and healthy in our care.

As we look toward the future, we are excited about all the lives that will change for the better because of these and other initiatives.

We are also incredibly grateful to you—our friends and supporters—for everything you do to help us make the impossible possible for our clients. Thank you so much.

# YOUR INVESTMENTS MAKE AN IMPACT

Chris & Noodle

“In battle and in training, when a Marine goes down, they call out for a corpsman, and one of those brave men or women come charging through anything to get to you. You could always count on that. So now, in the civilian world, who do we call? We call our corpsman, of course. Freedom Service Dogs is my corpsman now. My service dog, Noodle, is my corpsman.”

SINCE OUR FOUNDING IN 1987, FSD HAS GRADUATED MORE THAN 450 CLIENT-DOG TEAMS AT NO COST TO OUR CLIENTS. WE ALSO PROVIDE A LIFETIME OF SUPPORT FOR EVERY TEAM, INCLUDING ONGOING TRAINING, POST-PLACEMENT FOLLOW-UP, ANNUAL RECERTIFICATION, AND ADVOCACY EFFORTS.

*Austen & Murdoch*

“My stress doesn’t have to get in the way of my life, because Murdoch can overcome it. Sometimes the world, it kind of seems to me like it’s broken into pieces, and it’s really stressful when that happens. It’s kind of like it’s clenching at me from the inside. And Murdoch can release all that stress. He can do anything.”

*Lin & Aslan*

“Aslan is a wonderful example of a well-behaved service dog in the community. He helps me with bracing, balance, laundry, picking things up off the floor, and he makes us laugh. Did I mention he is beautiful, too? Thanks for our sweet dog.”
