More than six years ago, Freedom Service Dogs of America began to dream of a new home—a home that would allow FSD to have a state-of-the-art training facility, space for the dogs-in-training to run and play, and ultimately, reduce the wait time for people to be matched with their service dogs.

Our board members, supporters, volunteers, and staff worked hard over the years to find the perfect new home. Over 70 locations were visited, fundraisers were held, grants were written, and donations were made.

In October 2016, the dream became a reality when we moved into our new facility with 74 large and roomy indoor dog kennels, 2.4 acres of land with turf-covered play yards, and 22,680 square feet of training space! Our new home is a result of the hard work and dedication of the thousands of donors, supporters, and volunteers who believe in our mission of transforming shelter dogs into service dogs for people living with disabilities.

You—our generous community of supporters—also helped to provide Nathan with his service dog, Nonni; Johnny with his service dog, Baloo; and Nikole with her service dog, Hamlet. These clients are all veterans who served their country honorably and whose service dogs will now help them re-engage with their children, spouses, and communities. You helped provide Shawna with Gyro, who serves as a brace and balance service dog to allow Shawna more mobility, and Slider to Kalie, a young college student who is now embracing life and college to the fullest with the help of her service dog. In total, FSD provided 17 service dogs and 5 therapy dogs to people in need this year.

Over the last 30 years, Freedom Service Dogs has accomplished so much and helped to transform hundreds of lives—for both shelter dogs and the individuals they serve. Now as we approach our 30th anniversary, the board and staff have developed a five-year strategic plan that will guide our growth as we expand our programs to meet the growing need for service dogs. We remain committed to providing our service dogs free of charge to people in need. Your support has truly transformed lives!

Thank you for joining us in this journey! We truly appreciate your generosity, your volunteer time, and your commitment to Freedom Service Dogs of America.

We simply could not do what we do without you!

A Message From Our Board Chair and President & CEO

“It always seems impossible until it’s done.”

Investments That Make an Impact

2016 HIGHLIGHTS

Freedom Service Dogs of America is one of the few organizations in the United States to transform shelter dogs into custom-trained service dogs. Your investment and belief in our mission allow us to give the life-changing gift of a service dog to our clients at no cost. Here are a few of the teams made possible by your support in 2016.

ATARAH & OAK, 2016 SERVICE DOG GRADUATE

“As I continue to take Oak more places with me, I am approached often about how well-behaved and ‘beautiful’ he is. This has helped me lower my guard a bit in public places when I am without other people. Just being around him has improved my health. My blood pressure has significantly decreased; my resting heart rate has decreased by 20 beats per minute. I feel less hesitant when going out because I know he is there to help me if I fall or drop things. On a recent trip to the zoo with my four-year-old and Oak by my side wearing his balance harness, we nearly walked the entire grounds. I did not fall once and felt confident walking, whereas in the past, I would use a scooter. I am SO grateful and thankful to Freedom Service Dogs for giving me Oak. I couldn’t have asked for a more perfect match. He’s goofy when I need a laugh and all business when he needs to be.”

MIKE & BAGEL, 2016 THERAPY DOG GRADUATE

“Bagel’s help was so positive in a situation with a student who was having suicidal ideation. She had shut down completely, not talking with adults. I brought Bagel in to just sit with her. As she pet him, she began talking and expressing her feelings. She ended up receiving the support she needed thanks to Bagel’s presence and calmness in the situation. Thank you FSD for all your support and help.”

ALEX & PASTEL, 2016 SERVICE DOG GRADUATE

“Pastel is my battle buddy. Having her as my partner through my daily routines is my most positive experience. She allows me to get out more. I can leave the house without being alone because she has my back. She is there to help me, distract me, calm me...whatever I need. We help each other. She gives me an outlet in anxiety [causing] situations. Pastel has given me a sense of responsibility but also a sense of comfort that has gifted me a freedom I didn’t have previously—both emotionally and physically.”

An Eventful Year

Since 2013, the Eric + Jessie Decker Foundation (EJDF) has funded eight service dogs for veterans with disabilities through Deckers Dogs, an initiative created when Eric Decker was a Denver Broncos wide receiver. Seven of the service dogs have already been matched with veterans, and one is currently in training.

At an exclusive reception on June 24, 2016, Eric and Jessie Decker mingled with guests, including the veterans and service dog teams they have funded. On behalf of EJDF, the Deckers announced a matching grant to help fund the completion of the training space at FSD’s new facility. Donations made to EJDF will be matched dollar-for-dollar up to $250,000 and then funneled back to Freedom Service Dogs. The Eric + Jessie Decker Foundation has made it possible for us to continue providing life-changing service dogs to veterans at no cost. We are beyond grateful, not only for their support over the years, but also for their investment in the future of Freedom Service Dogs.

To learn more about Deckers Dogs or view more photos from the reception, visit EJDECKERFOUNDATION.COM.

On October 8, 2016, more than 350 guests attended the 5th annual Diamonds in the Ruff at Infinity Park Event Center in Glendale, Colorado. Guests enjoyed shopping the silent auction, getting photos taken with service dog ambassador Cargo, the premiere of Love Letters, and a special performance by service dogs in training with their handlers. Over the course of the evening, a record-breaking $218,000 was raised!

This August marked the 4th annual Faces of Freedom Sporting Clay Tournament, a fundraiser to benefit Operation Freedom. In 2013, Core Laboratories approached Freedom Service Dogs to launch Faces of Freedom in Denver. In 2016, they expanded to include an event in Midland, Texas. To date, the events have raised more than $800,000 for veterans who are waiting to receive service dogs.

Freedom Service Dogs of America is a Denver-based nonprofit organization that enhances the lives of people with disabilities by transforming shelter dogs into service dogs, and custom training them for individual needs. Clients include children, veterans, active-duty military, and other adults. The disabilities of those we serve include autism, traumatic brain injury (TBI), cerebral palsy, spinal cord injuries, muscular dystrophy, multiple sclerosis, and post-traumatic stress disorder (PTSD). Since being founded in 1987, Freedom Service Dogs has paired more than 350 client-dog teams at no cost to the client. For more information, visit freedomservicedogs.org.
